

You asked for it – you got it - **Jeff Nelson**
is coming back for another watercolor workshop “**Fur & Feathers**”
at **Mississippi Mornings Art Studio**

The LCSAC spring workshop with Jeff Nelson was a huge success...so much so that both participants and Jeff asked to come back for more. Here we are working on landscapes, learning so many useful techniques that some artists need more hands..

Two days – **August 10th and 11th, 2023**

Workshop fee \$225
